

Temperature Record Sheet

Before arrival:

- check the temperature of your horse twice daily for 3 days before arrival and document this in this sheet
- Check vaccination statuses of your horse: *Equine influenza Vaccination*: all horses must be vaccinated against equine influenza

At arrival:

Please go with your horse to the examination on arrival point and remember the following objects to bring with you:

- Temperature sheet which is filled with the temperatures twice a day from the last 3 days and the morning of the arrival day
- Horse passport
- your own thermometer for examination on arrival
- valid health/transport papers (if the horse does not come from Germany)

During the event:

- check temperature twice daily and document this in the sheet on the horse box

Before leaving:

- Pick up horse passports and turn in Temperature Sheet, which was filled during the show days
