1. Event

The Maimarkt-Event will take place for the 57th time since 1964, from 28.04.-04.05.2021. The Maimarkt-Event is one of the most important international horse-show in Germany. Riders from more than 30 nations attend an Maimarkt-Event. About 60 riders take part in the dressage competitions and about 100 riders in the jumping competitions. Olympic medalists and world champions regularly compete at the Maimarkt Horse Show. The MVV Energie Grand Prix on Tuesday, May 4, 2021, is a qualification for the Olympic Games in Tokyo 2021. The dressage riders use the dressage competitions as a first performance test for the Olympic Dressage Event of Tokyo 2021. The event typically attracts over 50,000 visitors annually. Due to the COVID-19 pandemic it will be not allowed to hold this event under the same conditions this year. Nevertheless, we would like to give professional sports a platform.

The event site covers approximately. 50.000qm with various riding arenas, staging areas and spaces for the riders on site. The flow of people can be monitored and controlled through several separate and controlled entry zones. This can reduce contacts and reduce the risk of infection.

2. Entrance authorization

Access to the event area is restricted to persons without symptoms of disease typical of Corona virus infection. All persons must perform a Corona test daily at the test center on site and before entering the show grounds. Only with a negative test result access will be granted. Medical Masks and FFP2 Masks are compulsory at all times and everywhere on the entire tournament grounds, except for the riders when warming up the horses and in the show ring. The event will be held under exclusion of public.

The press office is organized by a professional press agency. The journalists will be placed on strictly separated working desks and with minimum distance of two meters on the tribune. The press conference will also be held there.

2.1 Legal Corona Regulation

The legal requirement of the hygiene concept is the regulation of the Ministry of Culture and the Ministry of Social Affairs Baden Württemberg on the practice of sports (Corona Regulation Sport - CoronaVO Sport, Baden Württemberg):

§ 4 Conduct of sports competitions and sports competitions.

(3) Sports competitions and sports contests with a total of more than 500 athletes and spectators are prohibited. When measuring the number of spectators, employees and other participants in the event, such as trainers, supervisors, referees and judges, as well as other functional personnel, are not taken into account. A minimum distance of 1.5 meters must be maintained between spectators, unless otherwise permitted by § 2 paragraph 2 in conjunction with § 9 CoronaVO.

3. If the threshold value of 35 newly reported SARS-CoV-2 (coronavirus) cases per 100,000 inhabitants in the respective city or district of the venue has been exceeded in the previous seven days (7-day incidence according to the publications of the Robert Koch Institute) before the day of the sports competition or sports event and the infection cannot be clearly delimited, no spectators may be present at the sports competition or sports event.

Offences can be sanctioned by the authorities with fines!

Non-compliance with the instructions/instructions is (also) a violation according to LPO § 920, 2.k. and can be punished with a disciplinary measure according to §921 LPO.

2.2 Authorized to start

Only professional and top athletes are allowed to participate in accordance with the requirements of the Corona Regulation Sport Baden Württemberg. These include:

- Athletes who have an employment contract that obligates them to perform a sporting activity in return for remuneration, which predominantly serves to secure their livelihood,
- self-employed athletes who are not affiliated with a club or association and who work full-time,
- Athletes with national or state squad status,

- Teams of international leagues in the adult sector,
- Players in the youth or junior age groups in the competitive area (at least U15 teams or older) whose teams are eligible to compete in the highest interstate league.

For all outdoor activities, possible regional regulations on exit restrictions must be observed.

The organizer reserves the right to adapt the regulations and measures in accordance with the local authorities to the current situation in order to minimize the risk of spreading the coronavirus.

3. Sport specific, special measures

3.1 Show office and registration office

- The prize money will be transferred after the event. The participants are required to fill in the check-in form with their personal data and bank account details.
- The record will be sent to the participant by e-mail. To the e-mail address they provide when checking in.
- Entering the registration office is not allowed, if participants have a concern where it is mandatory to talk to the registration office they can call or use the window provided for this purpose. It is mandatory to keep the appropriate hygienic distance and disinfect hands before approaching.

We reserve the right to adjust regulations as needed to reflect current Corona measures for the tournament date.

3.2 Access & Stables

- Each rider is allowed to bring a maximum of 2 accompanying persons.
- They need to observe the current Corona entry regulations of the Federal Republic of Germany, as well as the quarantine regulation of Baden-Wuerttemberg.
- Persons who cannot be assigned to a rider or do not belong to the organizer's team or to the press are not allowed on the event premises.

3.3 Warm up Dressage, jumping, Para-equestrian

The warm-up arenas cover an area of 3,200 square meters. A maximum of 8 horses are allowed on each warm-up arena. The minimum distance of 1,5 m must be kept at all times. Also the trainers, stewardess and grooms have access to the warm-up area. For them, medical masks/ FFP2 masks and a distance of 1,5meter are compulsory on the entire warm-up.

For vet-Checks or general veterinary checks, only mandatory present persons have to be on site.

4. Catering

Catering will be set up above the grandstand. The catering company provides an app that can be used to select and order food. With the help of a vendor's tray, the employees of the catering company will distribute the respective food and drinks. Medical Masks and FFP2 Masks are compulsory in the entire grandstand area, but may be removed for the consumption of food and drink. The obligation to wear masks also applies to the catering company and its staff. By occupying only every third row of the stands, there is sufficient distance between the service staff and the persons.

With sufficient distance also above the tribune 4 tables with a distance of 3m are set up. At these tables, service is also provided via the app. A maximum of 3 people from one household may sit at one table.

5. Hygiene measures in connection with Herpes EHV-1

Due to the current spread of the EHV-1 virus, the organizer reserves the right to implement special measures against the spread of the pathogen.

Before arrival, the riders are obliged to make a 3-day temperature protocol for the entered horses, which has to be kept on arrival and also during the event. You can find the form for this in NEON under information on participation.

Access to the event area will only be allowed upon presentation of a negative PCR test for Equine Herpesvirus. The test result should not be older than 48 hours before arrival. Upon arrival, the temperature of the horses will be checked as well. The organizer urgently requests all participants to bring their own fever thermometer to protect against infection!

During the event a body temperature control of the horses has to be done 2 times a day. Anomalies such as the taxable values of fever (thermometer values above 38.0 ° C), diarrhea, cough or ataxia must be immediately informed to the tournament veterinarian and the organizer.

Direct contact between horses that do not belong to the same stable is prohibited. Also the contact between persons and foreign horses. Horses that do not belong to the same stable and are housed in the same stable tent will be housed on the other side of the stable tent, so horses from different stables will be facing each other, but not next to each other. Furthermore, stable utensils, water bucket, saddle things, feed things need to be used strictly separated from other horses.

The stable concept provides for a maximum of 8 boxes per stable tent. This means that the minimum number of people potentially staying in the respective stable area is specified. If a horse shows symptoms during the competition days, quarantine boxes are available. The quarantine area may only be entered by selected persons wearing appropriate protective clothing.

The organizer also reserves the right to carry out temperature checks at the tournament by the veterinarian.

III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin de la Joliette 8, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>

2.1. ATHLETES, OWNERS AND SUPPORT PERSONNEL

2.1.1 Personal Accident and Health Insurance

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending at/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

2.1.2 Personal Property Insurance

You should also ensure that you are insured against property loss, theft or damage which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have

an insurance policy in place which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

2.1.3 Press Equipment

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

2.2.2. ADDITIONAL LIABILITY INFORMATION

The organizer declines any liability for property or pecuniary damage which may happen to visitors, athletes, grooms and horse owners through slight negligence of the organizer, his delegates or his assistants.
