Dear participants of the CDI Donaueschingen - Dressur Edition 2022

A very warm welcome to you and we hope you will enjoy pleasurable days at the source of the Danube!

To ensure that your stay with us is as smooth and pleasant as possible, we ask you to observe the following points:

**Stables:**

**Address: Brigachweg 19, 78166 Donaueschingen**

The stables are open from Wednesday, August 17th, 2022 at 12 noon.

Stable master is Gerhard Storz, Tel. 0151 14380632; first bedding - shavings - is provided.

Our team (FEI veterinarian Dr. Georg Rist and FEI stewards) will check the equine passport and the FEI Horse App data for all horses upon arrival. Before moving into the boxes, you must take the temperature of the horse in the presence of the veterinarian. Please remember to bring your own thermometer!

**Participants in the CDI:**

please remember to install the FEI Horse App in good time and to document the temperature data at least 3 days before arrival (at least 6 temperature entries).

**Participants in national classes CDN**

We generally adhere to the FEI regulations. Horses that take part in the national classes and are stabled must also be presented to the veterinarian upon arrival. For these horses, the morning and evening temperature must be entered in the attached list no later than the 3rd day before arrival (at least 6 entries upon arrival). Please show this list together with the equine passport. Please **do not** use the Horse App!

Please place vans promptly in the spaces assigned to you.

Please order hay and bedding (shavings) daily from Gerhard Storz by 10 a.m. Tokens can be purchased at the registration office. Unused tokens will be credited upon return at the show office. Issue times will be announced.

Only authorized persons who can identify themselves have access to the stables.

Smoking in the stables or directly close by is strictly forbidden!

Electrical devices may only be connected after consultation with the stable manager.

The instructions of the stable manager and his employees must be followed.

We will try to make your horses comfortable as quickly as possible and thank you in advance for your patience and understanding.
