III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: www.fei.org.

XIV. ADDITIONAL INFORMATION

1. INSURANCES AND NATIONAL REQUIREMENTS

Equestrian sports involve inherent dangerous risks. To the greatest extent permitted by law, the FEI and the FEI Event Organiser shall NOT be liable for any damages relating to loss of property or injury of any kind to Athletes, Owners, Support Personnel or Horses at or in connection with an FEI Event and the FEI expressly excludes all such liability.

1.1. ATHLETES, OWNERS AND SUPPORT PERSONNEL

1.1.1 Personal Accident and Health Insurance

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending at/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

1.1.2. Personal Property Insurance

You should also ensure that you are insured against property loss, theft or damage which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

1.2. ATHLETES AND OWNERS

1.2.1 Third Party Liability Insurance

As an Athlete/Owner you are personally responsible for damages to third parties caused by you, your employees, Support Personnel, your agents or your Horses. You are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to FEI Events at home and abroad, and to keep the policy up to date.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

1.2.2 Additional Liability Information

The organizer declines any liability for property or pecuniary damage which may happen to visitors, athletes, grooms and horse owners through slight negligence of the organizer, his delegates or his assistants. The OC is liable in case of intent, gross negligence as well as in case of injury to life, body or health and in further cases he is liable for compelling legal liability acc. to the legal requirements. Furthermore before the first use of the event area, before the first training resp. before the start of the completion, each participant will have to make oneself familiar with the conditions of the event area. With the first ride on the event area the participant accepts the conditions of the event ground as according to the rules and to the contract and he/she refrains from liability against the organizer, except when the OC acts reckless or deliberately on injury to life, body or health.

1.2.3 Horse Insurance

As an Owner you should ensure that your Horses are adequately insured against any injuries or illnesses they may sustain while participating at a FEI Event.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS:

Distribution of Prizes and Indemnities

All prize money and all prizes in kind rewarded instead of prize money as well as reimbursements (e. g. transport charges, travelling expenses) will be distributed acc. to FEI-RG Art. 127/128 following the last competition at the latest. The scheduled prizes are gross amounts.

Settlement will be done per athlete. Depending on the agreement with the horse owner, each athlete binds himself to pass on to the horse owners the prize money or prizes in kind rewarded instead of prize money. The organizer is allowed to deduct possibly outstanding debts of the athlete. Acc. to § 50a EstG this also applies to foreign horse owners. After having deducted the VAT from the prize money or prizes in kind rewarded instead of prize money, as a rule the following income tax will be due: no taxes up to 250 EUR, 15 % exceeding 250 EUR (in force as of 01.01.2009); plus solidarity fee (at present 5.5 %) of the income amount. Travelling expenses being taken over or reimbursed are only regarded as revenues if they exceed the actual costs and the reimbursement for additional meal allowances acc. to § 4 Abs. 5 Satz 1 Nr. 5 EstG. The tax deduction has to be certified on demand. Those foreign athletes being exempted from tax deduction are kindly asked to submit an exemption certificate either with the entry or on the first show day at the latest. Every athlete himself is responsible for the correctness of the details he submits. If Athletes have to be placed equally, the money value of possible prizes in kind (e. g. a car) is divided accordingly.

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations articles 127, 128)

The value of the 1st prize must not exceed 1/3 of the total prize money distributed for the competition. The minimum number of prizes offered for each competition must be allocated on the basis of one prize for every commenced four Athletes, with a minimum of five prizes.
